REPORTING PERIOD

The report has to be submitted on the basis of the period specified in SC (Annex No. 4)

DEADLINE

Within 10 calendar days after the reporting period, each beneficiary (including LB) prepares PR and sends all required supporting documents to FLC

FORM

- please submit the PR to the FLC in 1 (one) original and e-version (Excel). All annexes to the PR shall be submitted to the FLC in 1 (one) copy.
- please prepare all necessary documentation to be ready at the day of submission of the PR to the FLC.
- after approval of PR by the FLC, all the beneficiaries are obliged to send a copy of the approved PR and FLC declaration to the LB, so that LB could prepare the CPR.

LANGUAGE

The report is filled in English.

PROGRESS REPORT NUMBER: No. A-B-C-D, where:

A – number of the project as indicated in SC: i.e. **LT-PL-3R-299**;

B – type of report i.e., in case of Progress report the number of beneficiary submitting the report **LB, B2 or B3 ... B8** should be marked (i.e., **LT-PL-3R-299-LB**; **LT-PL-3R-299-B2**; etc.).

C – number of the report as indicated in annex no 4 in SC, i.e., **LT-PL-3R-LB-1**

D – version of CPR, i.e., **LT-PL-3R-299-C-1-1** (in case there is a need to correct the report, the corrected version should have a consecutive number, i.e., **LT-PL-3R-299-LB-1-2**, etc.).

EXPENDITURES

Only the expenditure fully incurred during the relevant reporting period (in case of salaries – with all applicable taxes) can be included into the PR.

EXCEPTION: expenditure previously suspended by the FLC.

EURO

All expenditure reported in the project reports must be denominated in euro. Project expenditure incurred in a currency other than the euro shall be converted into euro by the beneficiaries using the monthly accounting exchange rate of the COM in the month during which that expenditure was submitted for verification to the Controller (Article 28(b) of the ETC Regulation).

2. ACTIVITY PART

2.1. Description of the beneficiary activities in the reporting period (max 1000 characters)

IN PROGRESS REPORT DESCRIBE ONLY ACTIVITIES THAT YOUR INSTITUTION ORGANISED OR PARTICIPATED IN

*Describe project activities and progress relevant only for **this reporting period**, including delivered outputs and highlighting the added value of the cooperation. The order of activities should follow the one described in the AF part II.4 and IV. i.e.:*

Activity 1:

Activity 2:

Activity ...:

PLEASE CHECK IF ALL MENTIONED VALUES OF INDICATORS MATCH THE DATA ENTERED IN THE PART "INDICATORS"

Information on executed controls/internal audits has to be provided, indicating the title of the institution and its role in the Programme as well as the results of the control/internal audit. The copy of the audit report can be attached as an annex and submitted together with the supporting documents.

*The description of activities connected with **project preparation costs** (if applicable) should be included in this field in case of **First PR**.*

The generated net revenues must be reported and proved not to exceed the limits. If the project has foreseen revenue generating activities, but the factually generated net revenue is exceeding the national co-financing (15%) needed for the implementation of this activity, the amount by which the needed co-financing is exceeded shall be deducted from the eligible project costs while reporting.

In case the project generates net revenue, which was not foreseen in the Application Form – the eligible expenditure of the project shall be decreased by any amount of generated net revenue while reporting.

Annexes proving the activities:

Activity 1: annexes ... Only numbers to be indicated

Activity 2: ...

***Attached annexes** should be indicated and the **numbering of the annexes** should match the attached documentation.*

If during the reporting period project events took place, copies of lists of participants, agendas, photos etc. of each event should be enclosed.

Samples of developed/used information and publicity tools should be submitted: leaflets, brochures, publication, CDs, presentations, photos of information stands/boards, printouts of websites, announcements/information in the media, photos proving that the purchased equipment was marked with information elements, etc.

If it is possible, annexes shall be delivered in e-version.

PLEASE ORGANISE THE ANNEXES IN PROPER ORDER

2.2. Planned project activities to be realized by the beneficiary in the next reporting period (max 600 characters)

Project activities planned to be implemented in the next reporting period should be described i.e., detailed description of the main project activities, project stages and outputs to be achieved. The order of activities should follow the one described in the AF.

*In case of **Final PR** report, this part should be marked as "not applicable".*

2.3 Description of changes within the project (including deviations from the work plan), internal and external problems occurring during project implementation together with the information about the counter-measures undertaken by the beneficiary (max 500 characters)

Description of changes within the project (including deviations from the work plan), internal and external problems occurring during project implementation together with the information about the counter-measures undertaken by the beneficiary.

Additionally, information on changes that JS was informed about, should be listed and shortly described.

In case there were some reallocations in the budget for which prior approval is not necessary e.g., in case there is an overspending between the budget lines of the same beneficiary within the same budget category and there are no changes in the allocations for the territories, the justified description of the change indicating from which budget lines the overspending is being covered should be described in this part.

2.4. Evaluation of the project impact effects (including cross-border impact) (max 400 characters)

Applicable to the final report

To be filled in **ONLY for Final PR**. In case of First or Interim reports, this part should be marked as “not applicable”.

Taking into account cross-border nature of the project, it should be described how the achieved outputs and results influenced both sides of border and how they benefited areas on both sides of border. The description of effects in comparison with the Application Form is the basis for filling in this part.

IMPORTANT: Additionally, an annex with the description of all activities of the project should be attached to the **FINAL Progress Report** including list of items falling under sustainability monitoring. Impact of the project activities, achievements, influence and result of changes should be underlined.

2.5. Evaluation of the partnership (division of work and responsibilities, difficulties encountered and

Evaluation of the partnership should be described: division of work and responsibilities, difficulties encountered and changes made, positive aspects of the partnership etc.

2.6. Information about conformity of the project activities with the rules of the community policies

| | Yes | No | Not applicable | Justification |
|---|-----|----|----------------|---|
| 2.6.1 Has the breach of the public procurement rules taken place? | | | | <p><i>In case of a “yes” answer, details on irregularities/errors should be given, reason(s) for them explained and risk for project implementation assessed. Counter-measures undertaken/to be undertaken by the LB/Beneficiary should be also described.</i></p> <p><i>In case the policy is relevant to the project but no breaches were committed during the implementation of the project, the answer “No” should be marked and in case the policy is not relevant (e.g., only staff costs are planned and there shall be no public procurement procedures), the option “Not applicable” should be chosen.</i></p> <p><i>Please be aware that "Not applicable" can be chosen only if such activity did not take place during the reporting period.</i></p> |

| | | | |
|--|--|--|--|
| <p>2.6.2 Have beneficiary activities contributed to the horizontal principle "Sustainable development"?</p> | | | <p><i>In case of choosing "Yes"/"No", the section should include a justification of how the project activities carried out in the reporting period contributed to the horizontal principle or why they did not contribute to the horizontal principle.</i></p> <p><i>In case of choosing "Not applicable" the justification could be provided in the following form: "Project activities carried out in the reporting period were neutral towards the horizontal principle".</i></p> |
| <p>2.6.3 Have beneficiary activities contributed to horizontal principle "Equal opportunities and non-discrimination"?</p> | | | <p><i>In case of choosing "Yes"/"No", the section should include a justification of how the project activities carried out in the reporting period contributed to the horizontal principle or why they did not contribute to the horizontal principle.</i></p> <p><i>In case of choosing "Not applicable" the justification could be provided in the following form: "Project activities carried out in the reporting period were neutral towards the horizontal principle".</i></p> |

EXPLANATORY NOTES

What to include

In this table all eligible expenditures **incurred in the reporting period** should be included. All paid invoices or documents of equal probative value, which certify incurring of expenditures by beneficiary should be included. All expenditures should be listed according to the approved, detailed budget of the project with all valid reallocations.
Number of declared units should be identified. It should be clear how many initially planned hours/days/months were worked, items were purchased, participants involved etc. Description should be also in line with the description in the detailed budget, Justification of costs column.

General remark: please keep the compliance of total costs between table 4, 5 and 6.

Office and administrative expenditure

Costs should be calculated for each beneficiary multiplying the eligible staff costs by 15% and rounding arithmetical to two digits after comma.

Preparation costs

CAN BE REPORTED ONLY IN THE FIRST REPORTING PERIOD – if approved in the AF, should be assigned only to the lead beneficiary in amount which is set in the detailed project budget.

Date when the document was paid

Date of payment for the invoice/document of equal probative value (but NOT the date of its issue) should be indicated. **Only fully paid documents should be included in the list.** If for example, the invoice has been paid in instalments, all dates of all payments for the invoice should be indicated. Document which has not been fully paid cannot be included.

If the cost to be refunded is not expenditure (e.g., depreciation which is not connected with the flow of financial means) date of entering the document into accounting records should be inserted.

In case of salaries, pay sheet can be listed only when all fees (contributions to national social security scheme and income tax) were paid. If the pay sheet does not include the information concerning fees, proper document(s) explaining and proving the payment of fees should be included.
In case of Poland, document 'ZUS DRA' (described in the way that all amounts of paid contributions to national social security scheme are specified for each employee involved in project implementation) should be attached. Additionally, the personal monthly report or 'RCA' document (described in the way that all amounts of paid contributions to national social security scheme are specified for each employee involved in project implementation) should be attached.

Amount of the invoice without VAT

Net amount of the invoice/document of equal probative value should be indicated, excluding VAT amount.

VAT (if applicable)

VAT amount should be separated from the gross eligible amount of the invoice/document of equal probative, but only if VAT is eligible expense. VAT in this column relates only to eligible expenditure. In case VAT is not eligible for certain partner, digit '0' (zero) should be written down.

Important: FLC has a right to **suspend expenditure** which were deemed ineligible or irregular in the given reporting period and to finalize its work and certify only those expenditure which were not questioned. In such cases, the expenditure which is deemed ineligible or irregular in given reporting period but the FLC, did not finalize its work shall be described separately and the final decision regarding such expenditure must be done during the verification of the following reporting period (expenditure can be shifted only to the next reporting period).

If after additional clarifications/corrections the previously suspended expenditure appears to be eligible, they shouldn't be included in the PR of next reporting period. It should only appear in part 1.6.4 and detailed description regarding the case should be provided by the FLC in the Declaration of validation of the beneficiary expenditure by FLC.

As a general rule, in case the report is submitted for the time period when no expenditures have been incurred and paid out, such PR does not need to be validated by the FLC.

EXCEPTION: when in the previous reporting period there were expenditure suspended by FLC, the PR with no costs should be submitted by beneficiary and validated by FLC.

After the PR is approved by the FLC, 2 certified copies, and e-version (Excel) should be submitted to the Lead Beneficiary. 1 copy will stay with the LB, 1 will be forwarded to the JS as an annex to the CPR.
