All paid invoices or documents of equal probative value, which certify incurring of expenditures by the partners within the project during the reporting period, should be included. All expenditures should be listed according to budget lines indicated in attachment No. 1 "Detailed budget of the project" to approved Application Form with all valid budget reallocations. Number of declared units should be identified, it should be clear how many initially planned hours/days/months were worked, items were purchased, participants involved etc. Description should be also in line with the description in the Detailed budget of the project <i>Justification of costs</i> column.
-----------------	--

Preparation costs	If approved in the AF, assigned only to the lead beneficiary in amount of 2000 Eur, CAN BE REPORTED ONLY IN THE FIRST REPORTING PERIOD
-------------------	--

Office and administrative expenditure	Costs should be calculated for each beneficiary multiplying the eligible staff costs by 15% and rounding arithmetical to two digits after comma.
---------------------------------------	--

Date when the document was paid	Date of payment for the invoice/document of equal probative value (but NOT the date of its issue) should be indicated. Only fully paid documents should be included in the list. If for example the invoice has been paid in instalments, all dates of all payments for the invoice should be indicated. Document which has not been fully paid can not be included. In case of salaries, pay sheet can be listed only when all fees (contributions to national social security scheme and income tax) were paid. If the pay sheet does not include the information concerning fees, proper document(s) explaining and proving the payment of fees should be included. In case of Poland, document 'ZUS DRA' (described in the way that all amounts of paid contributions to national social security scheme are specified for each employee involved in project implementation) should be attached. Additionally, the personal monthly report or 'RCA' document (described in the way that all amounts of paid contributions to national social security scheme are specified for each employee involved in project implementation) should be attached.
